## **Defending English in an English-Dominant World: The Ideology of the 'Official English' Movement**

**May 18, 2007**  
**3:00-5:00 pm**  
**SST 318**

Why do so many Americans feel it necessary to expend valuable personal and political resources on behalf of “defending” the English language in the United States? And this during a time when the English language appears to be “conquering” the world?
