## **“Defending English in an English-Dominant World: The Ideology of the ‘Official English’ Movement”**

May 30  
3 - 5 p.m.  
SSPA 2112

*Why do so many Americans feel it necessary to expend valuable personal and political resources on behalf of “defending” the English language in the United States? And this during a time when the English language appears to be “conquering” the world?*
